# ***STATEMENT OF PURPOSE***

Riverdale Baptist School was established to provide Christian education that will lead young people to Christ, teaching them to follow God's Word, and preparing them academically to serve as God directs their paths. The Parent/Student Handbook has been prepared to inform parents and students of the policies and guidelines at Riverdale Baptist School.

## ***SCHOOL GUIDING PHILOSOPHY***

We believe that effective teaching takes place when:

- Instruction addresses a variety of learning styles, diverse experiences and cultures

- A safe, supportive environment with rules and consequences is reinforced by a school wide discipline plan
- High expectations for behavior, academics and social relationships are fostered

We believe that:

- Administrators, teachers, staff, parents, and community need to be positive role models
- There must be open lines of communication between the school, home and community utilizing all available resources

## ***SCHOOLWIDE LEARNING EXPECTATIONS FOR STUDENT SUCCESS***

# ATTENDANCE POLICY

Going to school is considered a full-time responsibility. It was with this thought in mind that the Riverdale Baptist attendance policy was developed. In addition, the learning experiences that take place in the classroom environment are considered to be a meaningful and essential part of the educational system. Absences tend to disrupt the continuity of the instructional process; therefore, classroom attendance is considered to be an integral part of the student's course of study.

Missing more than 25 days of a course or school may result in the student having to repeat the grade level and or course. Any loss of access to the classroom or loss of credit as a result of violating the terms in this handbook does not entitle the student/parent to a tuition refund.

## OUTSTANDING FINANCIAL ACCOUNTS

Financial accounts that are past due are subject to have student(s) removed from school until account is current and will be considered an unexcused absence. Parents must sign a financial agreement for the school year which outlines fees, tuition, penalties, late charges, and payment through the FACTS Management system. Tuition begins in June of the upcoming school year. Withdrawal/expulsion penalties are in effect for early withdrawals or expulsions of students during the summer or during the school year beginning with the first day of school. Consult the business office for further information. A parent/student waives the right to bring a lawsuit against Riverdale Baptist School for lost tuition in the event that RBS removes the student from class for tuition non-payment or or other school related issues.

## REGULAR SCHOOL DAY

At the 7:45 am bell, students enter the building and go to their homeroom to prepare for first period. Students must be in their first period seat by the time the tardy bell begins ringing at 8:00 am, when class begins. The school day ends at 3:00 pm. **All carpool students must be picked up no later than 3:15 pm.**

---

*Students remaining on school property after 3:15 pm must report to aftercare or be under adult supervision (i.e. coach, tutor or school-sponsored student activity). All students in the building must be under school-approved supervision at all times.*

---

## PRE-CARE AND AFTER-CARE

All students who arrive before 7:45 am will attend **pre-care, unless other arrangements are made by the Principal and Administrator i.e. breakfast in the MP room or courtyard privileges**. For charges, please see pre-care and aftercare application forms available in the school office. **Aftercare** is provided and required for all students who are without transportation after 3:15 pm. **After 6:15 pm, parents will be assessed a late fee of \$10 per 15-minute intervals.** Any student who is found unsupervised on the campus after 3:15 pm will be sent to aftercare and is subject to disciplinary action. Because continual adult supervision of students is mandatory while students are on the school campus, a student who attempts to hide or otherwise avoid aftercare

charges will be disciplined.

## EARLY DISMISSAL

If an early dismissal for personal reasons is necessary, parents must send an excuse note at the beginning of the day to the office. Other messages for students should be phoned in no later than 1:30 pm. In no case will a student be allowed to leave the school grounds in the company of someone other than the parents, without the parent's written approval.

- Permission must be granted to the student from the office before an early dismissal is allowed. Students must sign out at the office.
- Homework assignments from classes to be missed should be obtained before an early dismissal.

## TARDY TO SCHOOL

All middle school students are expected to be in their seats by the time the bell rings for each class. Being on campus, in the building or even in the classroom when the bell rings is NOT sufficient. If a student is late, they should have a signed note from their parent/guardian explaining why they are tardy to school. If a student is tardy and does not have a note with an excused tardy code, they will be admitted to class as tardy unexcused. Unexcused tardies will result in no credit for work/assessments that took place during that unexcused period of time.

## STUDENT ABSENCES/TARDY TO SCHOOL

In case of student absence or tardy to school, parents must write a note explaining the specific reason for the absence/tardy, which the student will deliver to the office. Please be sure to include the student's entire name and the dates of absence(s)/tardy. **Absences/Tardies are classified as excused or unexcused. Students are responsible for getting their form signed and collecting all materials from each teacher.**

## EXCUSED ABSENCES/TARDY TO SCHOOL

**Absence/tardies are not excused until a note has been received by the office.** In the event a student is absent only part of a day, the absence form must be signed by the teacher(s) whose class the student missed. The excused absences are:

- **Sickness** - Verified by a note from the parent - absence due to illness in excess of three consecutive school days **might require a doctor's note**
- **Doctor's Appointment** - Verified by a note from the parent. In some cases, a note may be required from the doctor
- **Death in the Immediate Family** - Verified by a note from the parent
- **School Sponsored Activities** - Students will be given an excused absence when they are out of class because of a school activity. They should make up missed schoolwork by following the general guidelines for make-up work.

## **VOLUNTARY (PRE-ARRANGED) ABSENCE**

Parents/Guardians must request written permission from the principal when desiring a voluntary absence for either full or partial days (morning and afternoon). The letter must be received in the school office at least one full week prior to the planned absence. If approved, the student is responsible for making arrangements with each teacher in advance of the absence regarding homework assignments and/or quizzes and tests. If this action is not taken, the absence will be unexcused and the student will receive grades of 50% for makeup work turned in for each class missed.

## **CLASSROOM VISITS**

If you would like to observe a classroom activity:

Determine the classroom activity you want to observe, and keep the classroom observation time to 20 minutes or less.

Request an appointment for a visitation date and time from the Middle School Guidance counselor, who will confer with the classroom teacher and obtain the principal's permission. Classroom hours are 8:00 a.m. to 2:52 p.m. excluding lunch/study hall.

Once the visitation date and time have been approved, visitors are to check in at the front office at the appointed time, sign the Visitors' Log located at the front counter, and receive a VISITOR sticker prior to proceeding to the classroom.

Return the VISITOR sticker to the school office before leaving campus and sign out in the Visitors' Log.

### SOME IMPORTANT RULES FOR VISITORS:

- Please sit in the back of the classroom in order not to distract the students.
- Please enter and leave the classroom as quietly as possible.
- Please do not converse with the students, teacher, and/ or instructional aides during the visitation.

## **TRUANCY**

Any student truant from school (absent without permission) may be placed on immediate suspension or be expelled from school. If the administration determines that a student "skipped" school or class, there will be a grade penalty of 0% for each class skipped. No tuition refunds for such absences will be given.

## **MAKE-UP WORK**

It is the student's responsibility to make up all missed assignments and to make arrangements with each teacher to complete the necessary work. The principal may increase the number of days allowed to make up work in cases of long-term illness.

The following chart gives the suggested time period within which students are to complete make-up work, with teachers being encouraged to use wisdom regarding unusual circumstances surrounding the absence and making up the required work:

Number of Days Absent from School:	1	2	3	4	5 or more
Days to Complete Make-Up Work:	1	2	3	4	5

## INCLEMENT WEATHER POLICY

### WEATHER-RELATED SCHOOL CLOSING POLICY

RBS follows the same winter weather school closing or cancellation policy as the Prince George's County Public Schools. Please note that it is the parents' responsibility to be aware of approaching winter weather conditions through the news media. The Prince George's County Public School system issues closings through these radio stations: WMAL-AM, WTOP-AM, and WFSI (107.9FM).

If the Prince George's public schools issue a closing, late arrival, or early dismissal, Riverdale will follow that decision. When the school day ends early due to inclement weather, students must be picked up within **one hour** of the early dismissal time. Since we do not have the personnel available to care for students on campus for an extended period of time, and because the aftercare program is not provided on such days, the standard aftercare late charge of \$10 per quarter-hour is added to the student's account after the one-hour grace period. Do not depend on notification directly from the school.

---

*NOTE: RBS is air-conditioned; should Prince Georges County Schools close due to the heat, Riverdale Baptist School will remain open.*

---

### DELAYED SCHOOL STARTS

If a 1-hour or a 2-hour school delay is announced for Prince Georges County Schools due to inclement weather, all the programs and services provided by RBS, including pre-care, will also start with a 1-hour or 2-hour delay from the normal schedule. Since the Pre-K and Kindergarten classes have full-day programs, they will also follow the same delay schedule and not be canceled.

# ACADEMICS

## GRADES AND REPORTS

After four (4) weeks of a marking period, progress reports will be updated online.

A Report Card is prepared at the end of each 9-week grading period, describing the student's progress in school. The quality of the student's work is indicated by the use of letter grades:

A+:	96	B+:	86	C+:	76	D+:	69	F:	0-66
A:	93	B:	83	C:	73	D:	68	I:	Incomplete
A-:	90	B-:	80	C-:	70	D-:	67		

The following grading system shall apply for the purpose of converting the numerical grades received by a student into letter grades for the report cards:

Letter	Numerical	Grade	Honors
A	90-100	4.0	5.0
B	80-89	3.0	4.0
C	70-79	2.0	3.0
D	67-69	1.0	2.0
F	0-66	0.0	0.0

## ACADEMIC ELIGIBILITY

At the end of each quarter and at the mid-quarter progress report period, all Riverdale Baptist School middle school students, home schooled students and other authorized private school students affiliated with RBS, must meet the following eligibility criteria in order to participate in extracurricular activities at Riverdale Baptist School. Ineligibility reports are prepared for all students and distributed to teachers, coaches, administration, staff, etc. Individual ineligibility notices are prepared for every affected student.

## PROGRESS REPORTS

Students who receive two F's during the progress report period or have a grade point average less than a 2.0 are declared ineligible. Students are then placed on the ineligibility list for four and a half (4 and ½) weeks. Ineligibility forms are given to each ineligible student, signed by the Principal and Head of School. Ineligible students will not participate in extracurricular activities to include practices, game, performing/visual arts or other events, until the end of the quarter when the ineligibility period ends.

## REPORT CARDS

Eligible students must have a 2.0 GPA with no "F's" on any 9-week report card. Students who are ineligible will remain ineligible until the next progress report period to determine if their grades and GPA meet the progress report guidelines. Ineligible students do not participate in extracurricular activities to include practices, games, performing/visual arts and other events.

- For home-schooled and non-RBS private school students end of quarter report card grades and mid-quarter progress report grades are due to the Guidance Counselor/Athletic Department at the same time that RBS report card grades and progress reports and report grades are due. Coaches are responsible to ensure that parents submit this information to the athletic office. Home-schooled and non-RBS private schooled students are to meet the same grading criteria as RBS students to remain eligible. If grades are not submitted, the student will be declared ineligible and will sit out for four and a half (4 ½) weeks.
- An ineligibility report for home-schooled and non-RBS private school students is prepared mid-quarter and at the end of the quarter by the Guidance Counselor/Athletic Department. Individual ineligibility forms will be prepared for each ineligible player, same as for RBS students.

## INELIGIBILITY START DATE

Ineligibility begins the following **Monday** after progress report information or report cards are distributed. Students will receive an ineligibility notification.

---

*Students who have two or more "F's" and a grade point average of less than a 2.2 at the end of 4th quarter will fulfill their ineligibility requirements during the first four and a half (4 ½) weeks of the following school year, making the penalty consistent for all four quarters.*

---

Ineligibility notifications to coaches and students: The Ineligible list is sent to the teachers, staff, athletic director and head coaches. Student Ineligibility notices are signed by the students and the principal and sent home to parents.

## ACADEMIC PROBATION

Students who are placed on academic probation will have their grades reviewed by the administration for a minimum of two consecutive quarters. A decision is then made whether the student will be allowed to continue studies at RBS. Students are expected to maintain a minimum 2.0 GPA. Core subjects failed during any semester of the school year are to be re-taken in summer school.

## ACADEMIC HONORS

During the school year, the school wishes to recognize those students who have excelled in the area of academics; therefore, the following honor rolls have been created:

**Chancellor's Honor:** Students who achieve a grade point average of 4.00 with no grade below an A- in any class qualify for the Chancellor's Honor Roll.

**Distinguished Honor:** Students who earn a grade point average of 3.75 or better AND receive no grade below a B in any class, qualify for the Distinguished Honor Roll.

**Honor Roll:** Students who achieve a grade point average of 3.25 or higher AND no

grade below a B- in any class qualify for the Honor Roll.

---

*A student cannot have any type of C in a class and make Honor Roll*

---

## NATIONAL JUNIOR HONOR SOCIETY QUALIFICATIONS FOR MEMBERSHIP

The Riverdale Baptist Chapter's qualifications for the National Junior Honor Society are rigorous. The Chapter requires candidates to:

- Meet an academic requirement of a 3.85 GPA or above with no grade below a "B" for the first and second quarters of the current school year
- Submit an extensive application outlining their accomplishments, contributions to the community and involvement in their church. A youth minister or pastoral reference is required. A pastoral or ministerial reference is required.
- Not have been suspended and/or received more than 2 referrals in the first semester.
- There must be a majority vote by the Faculty Council for the selected students to be inducted.

## HOMEWORK

Failure to complete homework will result in an academic penalty. Parents should expect their students to bring work home and should encourage daily study/review for the following day. Although class homework assignments may vary by course, students may receive an average of **20-30 minutes of homework per class, Monday, Tuesday, Thursday, and on some weekends. Because we want to encourage students to attend a Wednesday evening church program, homework will not be assigned on Wednesdays, except in math classes.**

## LATE ASSIGNMENTS

Homework, class work, assignments and projects are due at the **beginning** of the class period on the actual due date assigned by the teacher. Work that is submitted after the beginning of the class period without an excused absence or tardy note will be graded at 50% of the graded value on that assignment, up to the following day after the assignment was due. After that time, the student will receive a zero for the assignment. This does not apply to approved, excused absences or tardies that are sanctioned by the administration of that division.

## SPECIALIZED TESTING

**Achievement Tests** - All students take these tests in the spring in order for students, parents, and teachers to evaluate student progress. A Home Report guides parents in interpreting the test results.

# ***STUDENT CONDUCT***

Students who choose to attend RBS are accepted with the understanding that they will abide by the established behavior guidelines and procedures. They are expected to maintain age-appropriate behavior for their own and others' benefit.

It is the privilege of the administration to consider circumstances of infractions and the level of contrition in the final determination of consequences. Our goal is to deal graciously according to our Lord's standards while maintaining an orderly, God-honoring teaching environment.

## **GENERAL CONDUCT EXPECTATIONS**

Certain rules have been outlined to help define our expectations of the students and have been designed to represent the needs of a successful student and classroom. Parents are expected to support and promote the adherence to all school policies and regulations. Most students respond well to teacher admonitions; however, for those who do not, we reserve the right to administer discipline when needed.

## **PROFANE LANGUAGE**

As a Christian school, in accordance with Ephesians 4:29 and Colossians 4:6, RBS students are not permitted to use **profane language** (profanity) on the RBS campus. This policy applies to before, during, and after school hours; at games, practices or other RBS events. The use of profane language will result in consequences.

## **CLASSROOM RULES**

Students are expected to:

- Respect the teacher, his/her authority, and his/ her position
- Respect themselves and respect their peers
- Be in their seats before the tardy bell rings
- Place non-uniform jackets, sweaters, and coats in lockers at the beginning of the school day
- Have appropriate textbooks, paper and pens/pencils in each class
- Keep open drinks and food out of the classrooms or lockers
- Wait to be acknowledged before answering questions in class
- Use a teacher's class time to perform work for that class only unless otherwise directed by the teacher
- Ask and receive permission before getting out of one's seat
- Talk respectfully to teachers
- Gum is not to be chewed at any time in the school, church buildings, and gymnasium or on the bus
- Turn in all assignments on time or receive penalties

## IMMORALITY

As a Christian school, immorality is not acceptable conduct for students attending RBS and can result in expulsion. Appropriate consequences will be in effect for students proven to be in non-compliance as determined by the Principal and Head of School in accordance with penalties in this handbook. Our hope is to encourage and train students in Godly conduct.

## MIDDLE SCHOOL TARDY TO CLASS POLICY

<b>2nd unexcused tardy to class:</b>	Teacher contacts parent and student/teacher conference
<b>3rd unexcused tardy to class:</b>	Referral for lunch detention and contact parent.
<b>4th unexcused tardy to class:</b>	Referral for afterschool detention and contact parent.
<b>5 or more tardies to class:</b>	Out of school suspension and parent conference with the principal.

---

*All tardies are erased at the beginning of every quarter.*

---

## TECHNOLOGY/INTERNET USAGE

Precautions are taken to attempt to ensure that the Internet is a safe learning environment for students. Students will be supervised while using the Internet and will be instructed in the appropriate and safe use, selection and evaluation of information. Software which attempts to block access to objectionable material will be provided on computer networks used by the students.

The use of computer systems in school and access to the Internet is a privilege. Consequences for unacceptable use of the computer systems are outlined in the Internet Usage Agreement that will be signed by both parent and student. Failure to adhere to those guidelines may result in denial of access privileges and other disciplinary consequences.

## GYMNASIUM AND EXTRA-CURRICULAR ACTIVITIES

- Student behavior is expected to be proper and courteous whenever events or assemblies are being held in the gymnasium or auditorium.
- Students need to show good sportsmanship at athletic games, pep rallies, etc. There is to be no booing or throwing of items by the spectators. Violators may be asked to leave.
- No food or drink is allowed in the gym except during school-sponsored, sporting events.

## DEPARTMENT

- Respect others' rights and property as well as the authority of the staff, faculty and administration.
- Students are to refrain from all display of physical affection (holding hands, hugging, hanging on each other, kissing, etc.) at school and all school-related functions.

## RESTRICTIONS

Eating and vending machine usage is allowed only at lunchtime or at times when special permission has been granted by the administration. Students may NOT eat or in drink in homeroom and during study hall.

## INAPPROPRIATE ITEMS

Confiscated – MP3 players, iPods, hand held electronic games, TV's, CD's, toys, inappropriate books, periodicals or internet articles, games, non-school-related sports equipment, matches, lighters, fireworks, or other items that are not school-related. Only regular school equipment and materials are to be brought to school.

## CELL PHONES AND ELECTRONIC ACCESSORIES

Cell phones are not to be used during school hours. They must be turned off and kept in the purse or book bag and used after 3:05 pm only. Headphones/earbuds are not permitted during school hours. They will be permitted on trips or activities but only at the discretion of the principal. They will be confiscated if used improperly. Cell phones and headphones are not to be used in the building or on the grounds during the hours of 7:30 a.m. to 3:05 p.m. and should not be visible during these hours in the building or on the grounds. Students are not to make or receive calls/text messages during these hours, except in a school emergency situation. Confiscated phones will be returned to students only after parental conversation with the Dean, Guidance Counselor or Principal. Parents will be required to pick up confiscated phones. A referral will be issued and the student will serve a one-hour after school detention. Repeated offenses will require that the student serve a two-hour detention, followed by an in-school suspension. Continued cell phone abuse may result in the cell phone being banned from the school and given to parents.

## PROHIBITED ITEMS

Magazines with nudity, CD's with vulgarity/profanity/sexually explicit content, cigarettes, weapons of any kind such as knives, guns, guns including CO2 and BB's, martial arts or archery weapons. These items will be given to the Dean of Students by the teacher or staff member who confiscated them. Appropriate handbook penalties will be in effect, after investigations and documented discussions conclude with the Dean, student and faculty member.

## **DRUGS/ALCOHOL**

RBS is a drug free school practicing zero tolerance for alcohol and illegal drugs. RBS students are subject to on campus drug testing upon parental notification. Suspension or expulsion can occur for proven alcohol, drug usage or the sale of such items. Illegal drugs do not apply to medications lawfully prescribed to students.

## **THE THROWING OF OBJECTS**

Except in a supervised school activity, throwing any/all objects is strictly prohibited. Any student who is caught throwing any object will be issued an after-school work detention and a \$5.00 fine.

## ***DISCIPLINE CODE***

A great majority of our student body responds well to the established procedures. Students who have difficulty adjusting need to know that actions will result when they are out of step with what is expected of them. Most learning will take place when teachers are able to teach without distractions.

The administration disciplines according to the guidelines established in the discipline code. It reserves the right to review discipline based on the seriousness and circumstances of the infraction and on the needs of the student.

## **EXPECTATIONS OF STUDENTS**

Riverdale Baptist Middle School encourages a vital, personal relationship with God through faith in Jesus Christ for all its students and the ability to measure their lives against scriptural standards of conduct. “Don’t let anyone think less of you because you are young, but be an example to the believers in work, conversation, in love, in spirit, in faith, and in purity.” (I Timothy 4:12)

A student is expected to exemplify respect, integrity and promptness while maintaining a positive attitude and self-control.

## **CRUSADER CASH**

Our goal is to create a Christ-centered student body that responds in a positive way to the school and classroom expectations. In order to encourage and promote positive behavior, teachers, faculty, staff and administration will make efforts to give out Crusader Cash.

Riverdale Baptist School recognizes that students respond to tangible rewards. Therefore, all middle school students who have accumulated a certain amount of Crusader Cash will be eligible for special activities, field trips and rewards that will be offered at various times throughout the school year.

## **THE CRUSADER WAY**

Students who exhibit the following characteristics above and beyond required etiquette will be eligible for Crusader Cash:

<b>COMMITTED:</b>	Crusaders are committed to Christ. ( <i>Proverbs 3:5-8</i> )
<b>COURAGEOUS:</b>	Crusaders do the right thing. ( <i>Deuteronomy 31:6</i> )
<b>CONSIDERATE:</b>	Crusaders are thoughtful, respectful and kind. ( <i>Ephesians 4:32</i> )

## STUDENT CORRECTION

From time to time, students may exhibit behavior that indicates a need for more self-control. For this reason, behavior parameters have been established to address this need.

RBS uses a simple, corrective system for those students who do not comply with the behavior guidelines. Consequences are then issued based on classroom level discipline and administrative level discipline.

## CHEATING/PLAGIARISM

Cheating and Plagiarism are serious offenses. It involves taking information from some source other than the student's own mind and presenting it as if it came from his/her own mind. Thus, it involves both the components of stealing and lying. Students will be reminded by the teachers of the consequences. If a student is unlawfully copying the work of another student BOTH students will receive a zero for the assignment.

If it is determined that a student has cheated and/or plagiarized information, the following actions will be taken:

1. A parent/guardian will be notified

The student(s) will receive a zero on the assignment/test/project

If the student holds any sort of leadership position in a class, club, or athletic team, he/she may lose their position or be placed on probation.

Cheating, in any form, properly established, may make the student ineligible for all academic honors or awards in all subjects.

A second offense in any class will cause the student to automatically fail the grading period in the class where the offense occurred.

A third offense will result in expulsion.

## BULLYING

Riverdale Baptist School is committed to a healthy Christian learning community that provides a caring, friendly and safe environment that is necessary for students to learn and achieve high academic standards. Demonstrating positive behavior, respecting others, treating each other with kindness and discouraging bullying is expected of all administrators, faculty, staff, students, parents and volunteers. Bullying is not tolerated at RBS and is punishable by prescribed MS consequences to include suspensions and possible request to withdraw or expulsion. Guidelines, consequences and steps taken are outlined in the RBS Middle School Anti-Bullying Pledge that must be signed by both parent and student.

# ***DISCIPLINE CONSEQUENCES***

## **LUNCH DETENTION**

Students will serve lunch detentions during their lunch period and study hall time. Food and drink must be brought from home. Students may not purchase any food or drink from the cafeteria, including the vending machines. Students are to be prepared with a pen and paper. Students must bring their detention form signed by a parent or guardian. Students without a signed original form will serve the original detention and be assigned an additional lunch detention. Missing more than one lunch detention may result in a suspension from school.

## **AFTER SCHOOL WORK DETENTION**

Students will serve after-school work detentions daily (Monday-Friday) from 3:05-4:15 at the cost of \$5.00. Students are to report to their detention supervisor promptly at 3:05 with a pencil, paper and their consequence form signed by their parent/legal guardian. Failure to turn in this form could lead to another after school work detention. Students who miss after-school work detentions will be assigned an additional after school work detention the following day. Missing more than one after-school detention may result in a suspension from school. Students who do not have transportation home after detention must report to aftercare at the parents' expense.

Detention is the student's first priority. He/she will miss all extra-curricular activities and personal obligations including work, rehearsals, practices, or games until his/her detention time is completed. Tardiness or coming unprepared may result in additional consequences. If a student is uncooperative or does work that is unsatisfactory, he/she may be assigned additional work time or be referred to the administration for additional consequences. **Any student who does not come to work detention MAY receive a one-day suspension and will be rescheduled for the next work detention date.**

## **IN-SCHOOL SUSPENSION (ISS)**

The principal, guidance counselor, dean, or administration may assign a student an in-school suspension for a period of one to three days. The student may not attend classes during an in-school suspension (ISS). The student will be under the supervision of the Dean of Students, principal, guidance counselor or teacher during the suspension. Students may work on class assignments or do other work as assigned by the Dean of Students. Class work is to be pre-arranged and obtained from the teacher by the student in advance of the suspension.

Students work will be graded at 50% for in and out of school suspensions. Students are not to visit their homerooms, classes or study hall during their suspension. They may ring their lunch or obtain lunch from the cafeteria and sit wherever the Dean directs. Failure to cooperate with class work and activities during the in-school suspension may result in additional consequences. The student serving an in-school suspension (ISS) is not permitted to participate in extra-curricular activities on the day(s) of the suspension.

## **OUT-OF-SCHOOL SUSPENSION**

A student may be assigned an out-of-school suspension by the principal, dean, guidance counselor or administration for one to five days and may also be placed on disciplinary probation for a grading period (minimum of nine weeks). Suspended students may not be on school/church property while school is in session, nor attend school functions/activities until they have returned for a full day of classes. The academic penalty is given for each class.

## **EXTRA-CURRICULAR ACTIVITY SUSPENSION (LOSS OF PRIVILEGES)**

Extra-curricular activity suspension (loss of privileges) will result if a student is placed on an extra-curricular activity suspension as part of the school's disciplinary process, as a result of a major discipline offense, or by an administrative directive. This suspension includes participation in athletic sports programs and also production for special events that are not related to course requirements. The suspension may be scheduled for up to five days or for the remainder of the school year. A permanent suspension may be applied at the discretion of the administration. During the suspension time, the student may not practice nor play in any games or competitions. He/she also may not dress in any athletic uniform for the games or competitions.

The suspension runs from the first school day it is issued through all weekends, holidays and out-of-school breaks set by the school until the suspension has been completed. After the final school day is completed, the student will again become eligible for the activities beginning the next calendar day.

Permanent Extra-Curricular Activity Suspension (Loss of Privileges) will result when a student continually disregards school guidelines, policies and/or commits a serious infraction. As a result, he/she may be placed on permanent suspension from all extra-curricular activities for the remainder of the school year. A permanent suspension may be applied as deemed necessary by the administration.

Students who receive off-campus suspension will not be permitted on campus during suspension. Students who have been expelled from school will not be permitted on campus or at any school-sponsored events.

### **Additional Guidelines for Suspension**

- School half-days are considered a full school day.
- An official school cancellation due to inclement weather and the like will be considered a school day.
- A student who violates the suspension from activities may have another week (five school days) added to his/her time, plus a suspension from school.

# STEPS OF RESTORATION

## RESTORATION POLICY

The ultimate goal of discipline in a Christian school is to shape the character of each student. The Bible instructs us to be like Christ, i.e. “To be conformed to the image of his Son” (Romans 8:29) and to not be “conformed to this world”. (Romans 12:2)

The Bible also stresses that when it is apparent that the result of discipline is the formation of Christ –like character, then we as Christians are obligated to pursue a path of restoration. If a student is expelled from school (voluntary or involuntary) the student may not attend school or school activities for that current school year or the following school year. The student may re-apply for enrollment after this time period and follow the guidelines of restoration enrollment given by the administrator of the school.

## RESTORATION

The student may be considered for restoration after completing a minimum of 100 school days in a state approved or accredited public or private institution.

1. The student will be enrolled in another school for a year from the date of expulsion. In some instances, the administration may see repentance and allow a shorter period of separation, after serving a minimum of 100 school days at an approved private or public school. The student must maintain acceptable grades in citizenship, academic subjects, and be consistent in attendance. A report of these grades and attendance records will be required for re-enrollment.

A letter of recommendation will be required from the principal and guidance counselor.

Weekly counseling is required with a monthly report on the effectiveness of counseling and the student’s regular involvement in counseling.

Regular attendance on Sunday morning, Sunday evening and Wednesday evening by the student in a fundamental Bible believing church is required.

The student will keep a journal of his/her progress during these weeks. The journal will be reviewed by RBS as part of the re-admission decision. The final decision on re-enrollment will be that of the RBS administration.

During the school semester in which an expulsion occurs, the student will be ineligible for any class office or Honor Society membership. (Once removed from office in a school year, he may not be readmitted that year).

A restored student is entitled to resume participation in all school activities at the beginning of the next new semester following their full return to school.

In order to remain at RBS, the student will be given a probation period that he/she must complete.

## **CURRENT STUDENT**

The administration reserves the right to not invite back any student for the following school year based on his/her behavior or academic status. Requirements for re-enrollment of a student whose return is in question are as follows:

- The student must not continue earning discipline for the same area(s) of violation.
- The student must demonstrate a desire to continue as a student at RBS through his/her attitude, response to authority, and through effort to correct himself/herself in his area(s) of weakness.
- The administration must have a good report from the student's teachers regarding his/her desire to follow the school rules and policies, his/her, display of satisfactory behavior and academic progress in the classroom.

Upon being granted the privilege to return to RBS as a student for the next school year, the current student who is issued a behavioral probationary status must fulfill all probationary requirements.

## **NEW OR RETURNING FORMER STUDENT**

The administration will assign any student who is placed on behavioral probation, as a condition of his enrollment, a time period during which he/she must complete his/her probationary status. The probation time period may be from one quarter to one year in duration. The requirements of the probation must be satisfied for a student to remain at RBS. They are as follows:

- He/she must not commit any major offense;
- He/she cannot be in violation of the area(s) from which he/she originally earned the probationary status;
- The student must demonstrate a positive response to authority in all school classes and activities, and show a sincere desire to follow all school rules and policies;
- He/she must earn a good report from his/her teachers upon completion of his/her probationary time period.

Because the probation period places the student on a conditional continuance at RBS, a violation of the probation guidelines can result in the same consequences as those who would commit an expulsion offense. A student who continues to be in violation of his/her specified guidelines may be asked to withdraw from RBS. A student who is withdrawn due to a violation of probation will not be eligible for re-consideration as a student at RBS for one school year. Following that time period, he/she may re-apply under the guidelines for re-admittance to RBS.

## EXPULSION

An expelled student will not be eligible for re-admission until at least one year's absence from the date of expulsion, unless the administration determines that the student is qualified for restoration as outlined in the Restoration Policy section. Expelled students may not be on school/church property while school is in session, nor attend school-sponsored activities on or off campus without prior approval of the administration. Expulsions require Head of School and School Board approval. Expulsions and withdrawals have tuition penalties. See the Parent Financial agreement.

After a year's absence, student(s) that desires to return to RBS will do the following:

1. The student must not commit any major offense.
2. The student cannot be in violation of the area(s) from which they originally earned the probationary status.
3. The student must demonstrate a positive response to authority in all school classes and activities, and show a sincere desire to follow all school rules and policies;
4. The student must earn a good report from their teachers upon completion of his probationary time period.
5. The student must write a letter to the Administrator requesting re-admission.
6. Establish a good behavior record in another school.
7. Present three letters to RBS of recommendation from a pastor, principal and teacher documenting a positive change in behavior and attitude. These letters attesting to improved behavior must come from outside of Riverdale Baptist School.

## RE-ADMITTANCE OF WITHDRAWN STUDENT

If a student is required to withdraw from RBS at the conclusion of a semester, he/she may not return to RBS until the following takes place:

1. The student must be absent from RBS a minimum of one semester.
2. The student must establish a good behavior record at another school.
3. The student must submit a letter requesting re-admittance.
4. The student must provide three letters of recommendation from a pastor/youth pastor, principal and teacher. These letters attesting to improved behavior must come from outside of this school.

A student on disciplinary probation will be unable to hold any position of leadership in the Student Government or Honor Society. A student placed on disciplinary probation for more than two consecutive grading periods may not be allowed to return to RBS for one school year.

Hair is to be combed at all times, be neat in appearance, and with short lengths in accordance with the handbook standards. Traditional and conservative low tapered cuts are the standard. The back may be tapered, semi-tapered or block-tapered. The sides and top must be tapered or faded so that **NO LINES** separate or distinguish the sides from the top. Bleached or dyed hair is not permitted at RBS or school activities such as field trips, games, ACSI functions or graduation. Hair must be off the ears, off the collar, and off the eyebrows. **Sideburns** or sideburn shadows may be no farther than the bottom of the ear. **The administration will determine the period in which to correct hair violations, usually 3 days to one week.**

## FACIAL HAIR

**All students in middle school are expected to be close or clean-shaven.** A neatly trimmed mustache is permitted; however, the remainder of the face must be close-shaven. Razors or creams may be used to extract facial hair. This should be discussed with one's parents or physician. In cases where a student shaving would affect his health, a physician's letter to that effect must be on file. **The administration will determine the period in which to correct violations, usually 3 days to one week.**

## HAIR CODE RESTRICTIONS

Hair may not be excessively full or become unkempt or shaggy. Students with very curly or tightly cropped hair should keep their hair close-cropped, no more than **one-inch** long. It should not be styled in a way that would bring attention to it, or that reflects elements of a counter-culture.

## HAIR CODE VIOLATION

A student violating the hair code will usually be given three days to comply. The principal can extend this to one week or more when necessary. If the student does not comply within the specified time frame, he may be suspended from class until he is in compliance. A student who cuts his hair in an unacceptable style will be referred to the administration. # ***MEDICAL/EMERGENCY INFORMATION***

## **MEDICATION**

In accordance with the Maryland State Department of Health, we ask that the following guidelines regarding any and all medications be followed. In order to dispense over-the-counter and prescribed medications, we will need to have properly completed authorization forms on file including signatures by both the **parent and physician**.

All medications (including Tylenol, nasal spray and inhalers) must be stored in the health room under the supervision of the nurse. Medication in the form of chewing gum is not permitted without special instruction by the nurse. If a student is required by a physician to carry an inhaler on their person, an order from their physician must be on file in the health room. Lawfully prescribed medications are acceptable, and are kept with the nurse.

RBS has a zero tolerance policy for student use of alcohol products and illegal drugs. After a thorough investigation, proven use or possession of these items can result in suspension or expulsion. Prescribed student medications are not considered illegal.

To dispense prescribed medications, the following guidelines must be met:

- A properly completed authorization form must be on file in the nurse's office. Forms may be obtained from the school website or the nurse and may be faxed to her attention at 301-249-3425.
- The medication will need to be in its **original** container with the student's name, physician's name and instructions printed on the label.

The medication must be brought to the clinic by the parent and given directly to the nurse. **Students are not permitted to handle medications of any kind.** Parents must also pick up any unused medication directly from the nurse. Students will not be permitted to take home any unused medication under any circumstances. If possible, arrange for any medications to be given after school hours.

## **ILLNESS AT SCHOOL**

Except in cases of extreme emergency, students are not permitted in the health room without proper authorization from a teacher or member of the administrative staff. When a child becomes ill, they will be immediately separated from the other children and sent to the health room. A pass is required from the receptionist to gain admission to the nurse's office.

If the nurse determines the child should go home, the nurse will notify the parent that the child should be picked up **within a reasonable time (one hour)**. Sick children must remain home until the symptoms have ceased for a minimum of 24 hours to protect others from unwanted germs.

Please do not send a child to school hoping that he/she will feel better. A child with any of the following symptoms in the last 24 hours is not permitted to be in school:

- Vomiting or diarrhea
- Green mucus from the nose
- Inflamed throat or mouth
- Fever of 100°F or higher
- Pink eye
- Croup, coughing, sneezing
- Symptoms of childhood diseases (scarlet fever, mumps, chickenpox, measles)
- Skin infections (boils, ringworm, impetigo, and unexplained rash)

**Children cannot be left unattended, so please do not request that a child remain indoors when his/her class goes outside.**

## **HEALTH INFORMATION**

It is a State requirement to have immunization records for each child; therefore, an up-to-date immunization record for your child is a requirement and must be on file before the child begins classes.

# GENERAL INFORMATION

## LOST AND FOUND

Articles are kept in the Lost and Found for approximately 30 days, if space permits. Immediate inquiry should be made for any items lost. For the protection of our students, **all visitors must wear a visitor's pass**. This pass is available only from the receptionist. Parents are not permitted in the classrooms during the day unless permission has been granted by the administration.

Students may bring or purchase their lunch. Beverages including milk, water, and diet sodas are available. Snacks may also be purchased on a daily basis. **Lunches may not be ordered out for delivery to school.**

## CLASSROOM LOCKERS

All middle school students are assigned a locker. If a student loses the lock assigned to his/her locker, it must be replaced with a lock purchased from the school bookstore for \$10. Locks purchased elsewhere may not be used. Students are to use only the lock and locker assigned to them. Lockers should remain locked at all times.
