

Dear Students and Parents:

The administration of Riverdale Baptist School requires service learning hours for all students in grades 8 – 12. We believe that as Christians, our students should be heavily involved in service learning and outreaches. Often colleges and universities view this extra effort as a plus when reviewing applications. There are also scholarships available for students who are actively involved in service learning.

The total requirements for graduation are 100 hours. These hours must be performed without compensation. The hours needed for graduation may include the following:

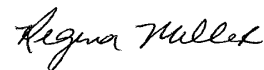

**Please check your area of service below:**

- Community activities
- Missionary outreaches
- Church youth outreaches (evangelism, witnessing, handing out tracts, share food programs, etc.)
- Summer camps
- Boys & girls clubs
- Day care (15 yrs. or older)
- Public Library
- Teaching Sunday school, maintenance, sound technician set-up
- Volunteering at senior citizen's homes, hospitals, nursing homes, homeless shelters
- Political campaign involvement
- Honor Society events
- Red Cross/ American Cancer Society
- Rescue Mission
- Girl Scouts/Boy Scouts
- AWANA
- Government Volunteer (city, county or state)
- 4-H Clubs
- For more Information, visit: [www.volunteermatch.org](http://www.volunteermatch.org)

Singing in your church choir or ushering at your church is not considered service learning.

If you transfer into Riverdale Baptist School with existing service learning hours, we will need those hours verified from your former school. The forms are available in the guidance office.

Sincerely,

Regina Miller  
Guidance Counselor
